

Tis the Season....

We hope you are enjoying the festive season and pray that you will know the peace of God at this special time of year. As we wind down for Christmas, we are so grateful to look back at all God has done with and through the NPI in 2019.

You may recall that in our September Prayer Letter we were looking forward to

exhibiting at the Strengthening Family Relationships Conference and Family Hubs Fair in Rochdale. The Fair and Conference that followed were excellent opportunities to find out about all that's happening to support families in Rochdale,

network and share the NPI message. We look forward to growing relationships in Greater Manchester and are currently busy organising an **NPI Vision Event** which will take place at Elmwood Church in Salford on 19th March. If you live in the Greater Manchester area, please join us! It will be a great opportunity to

find out more about the wealth of parenting materials available to enable you to impact your community. Free tickets can be reserved [here](#).

In early October we had the opportunity to exhibit at the second ALIVE

Worcestershire concert and at the Cheltenham School Prayer Network gathering. It is always great to be part of events and to share our vision, so if you would like our Co-ordinator, Jane Auld, to attend, exhibit, or speak at an

event you are running, please get in touch with Kayte in the office via office@thenpi.org.uk

In mid-December, Jane and James Stevenson (our Chair of Trustees), convened a meeting in London with representatives from a number of different organisations that the NPI supports. The meeting was extremely positive, and we look forward to seeing how we can strengthen those relationships through partnership and collaboration in 2020.

Looking to the future... We are currently helping to plan a conference in Bristol on equipping God's people to strengthen family life, both inside the Church and in the wider community. It's going to be a great event, with inspirational speakers, workshops, exhibitors and, of course, lunch! It will take place on Saturday 6th June at Christ Church Clifton, and we look forward to sharing ticket details with you in our next newsletter.

In the meantime, we wish you all a peace and joy-filled Christmas and New Year.

“Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.”

(Eph 3 v 20-21)
