

Summer News and Survey

We hope you are well and have enjoyed the summer, despite the uncertainties of the current time.

At the NPI we are continuing to build our online presence, through our [website](#), [Instagram](#), [Twitter](#) and [Facebook](#) pages. We're disappointed that we've needed to cancel and postpone events we had planned during this time, but hope our online content is bringing some encouragement to families and church leaders, as we all navigate a 'new normal'.

Families: A Toolkit for Church Leaders

As we shared in our July newsletter, we have now launched a [YouTube Channel!](#) We are really excited that there are now nine interviews uploaded, with more coming soon. As you may recall, the videos are aimed at Church leaders and focused on issues around family life. Please do take a look and subscribe if you haven't already.

Subjects the interviews cover include; [parenting as a church leader](#), [helping teenagers struggling with their mental health](#) and [supporting families with additional needs](#), plus many more!

If you have a couple of minutes, we would love to know what you think of all we're doing, and would be really grateful if you could fill in this short [survey](#) – it will really help us to know what's working and what's not, and help shape our work online going forward.

Thank you so much for your ongoing support and interest in the NPI, we really appreciate it!
