

Pray with us...

We hope this prayer letter finds you well in these uncertain times. We continue to remember and be encouraged by the powerful words of Corrie Ten Boom: “Never be afraid to trust an unknown future to a known God.”

As you know, during this time we have been growing our online presence, developing our [website](#), increasing our output on [Facebook](#), [Instagram](#), and [Twitter](#) as well as creating a new [YouTube channel](#) (please check out the videos if you haven’t already, we think they’re great!)

Our hope and prayer is that the work we have done up to now has encouraged, empowered and supported families at this uncertain time.

As we look to the future of the NPI, we would like to invite you to **partner with us in prayer**. We feel that we are at a point of transition and are asking God to guide and inspire us as we seek him for our future direction. We passionately want to continue our work empowering families through the church but want to be open to the shape this may take in the future, particularly with current guidelines impacting our ability to run or be part of events.

Please **let us know if you are able to commit to pray with us**, as we would love to know who is joining us on this journey, and please do let us know if you sense God saying something to you as you pray for the NPI.

Thank you for your ongoing support. We leave you with the verses that have been such a foundation stone in our work over the years:

Malachi 4 v 6:

“He will turn the hearts of the fathers to their children,

and the hearts of the children to their fathers..."
